

Mounting Equipment to the MBT-1 Platform Brackets

User Mounted

Can be mounted by user or installed by Mobile Barriers to brackets provided in MBT-1.

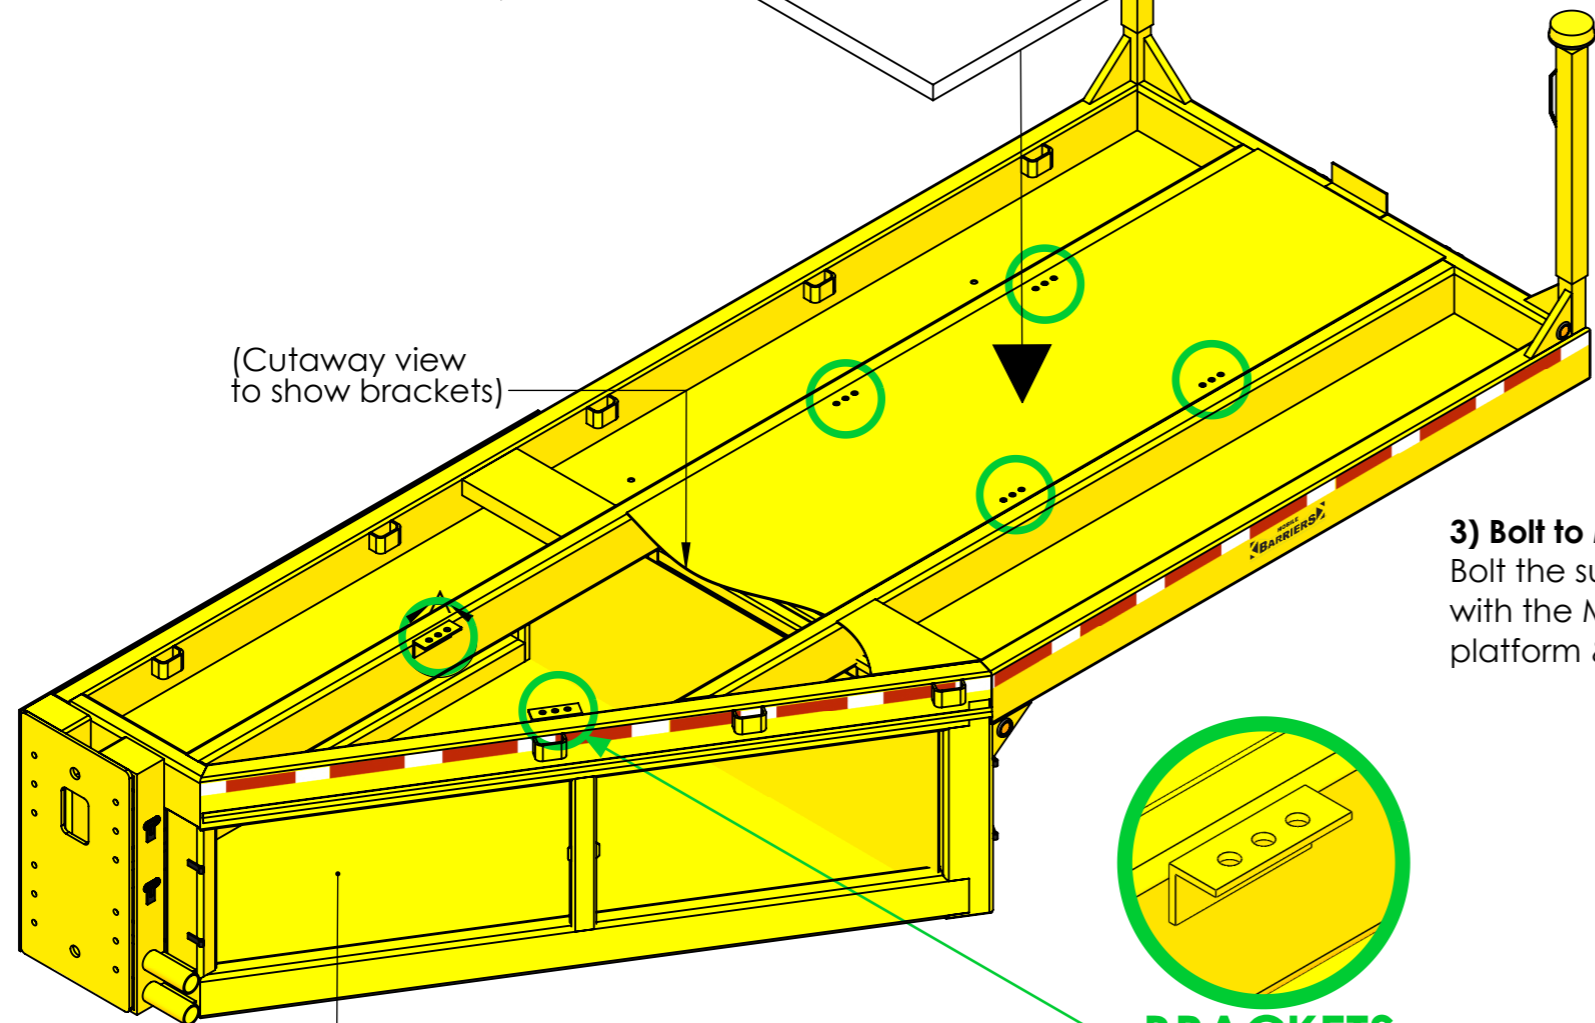

1) Equipment

Mount a variety of equipment with different bolt patterns/mounting needs using a subframe/plate and the MBT-1 platform brackets. Mount equipment such as hot boxes, water tanks, air compressors, welders, dump boxes, concrete mixers, etc.

2) Subframe

Subframe/plate bolts to the MBT-1 platform brackets.

(Cutaway view to show brackets)

3) Bolt to MBT-1 Platform Brackets

Bolt the subframe, plate, or equipment to the brackets provided with the MBT-1 platform. The brackets can be easily accessed from below the platform & inside the storage area.

Storage Area
(Lockable, doors hidden for clarity)
